

Office 365

Microsoft Office 365 Solutions & Support

entrustIT is a Microsoft Cloud Accelerate partner, meaning that we can help you migrate from your existing mail systems to Office 365. We have successfully delivered Office 365 migration projects to many organisations and have even integrated Office 365 into our successful Hosted Desktop product.

We can assist you with migration from on-premise or hosted Microsoft Exchange environments, Lotus Notes and other, we-based mail systems. We can also advise on and produce the best migration strategy for your organisation.
